

# What is Wellness Winnie?

Wellness Winnie, a “fun size” RV, will have a scheduled travel route through Denver for the purpose of providing behavioral health and support services.

***Wellness Winnie exists to empower all people in Denver to live their healthiest life and to increase equitable access to resources, helping the community to thrive.***

Wellness Winnie will be staffed with mental health counselors and peer navigators. Through shared experiences, peer navigators are skilled to support recovery and mental well-being.
